MILES FROM SHAWSVILLE DEPOT

Montgomery County, Va. THE PROPRIETORS having purchased this WALTERING PLACE in October last, have thoroughly repaired and furnished it with entirely new furniture of the best class, and will open it for the reception of Visitors ON THE 15TH DAY OF JUNE. Having increased accommodations, and make liberal arrangements for the comfort of their guests, they flatter themselves that but few (If any) Watering Pinces will afford the same attractions as this. It is situated in the county of Montgomery, 3% miles from SHAWSVILLE DEPOT, (Va. and Tenn. R. R.) on the banks of the Roanokeriver, and is surmiles from SHA WSVILLE DEPOT. (Va. and Tenn. R. R.) on the banks of the Roanoke river, and is surrounded by some of the most beautiful and attractive scenery to be found among the Mountains of Virginia. The Water bas acquired such a reputation in the last few years, that it is unnecessary to say anything in commendation of it. It is now considered a specific for the worst forms of Dyspepsia, and a remedy for all Cutaneous Diseases, disordered conditions of the Stomach, Bowels and Liver, and for prostration of the nervous system. We might append a number of certificates from Physicians and others acquainted with its merits, and to these might be added ad infinitum.

Passengers will be met at Shawsville by Four-Horse Omnibusses, to convey them over a new road to the Springs. Persons leaving Baltimore, Washinston, Rich mond and Petersburg in the morning, arrive at the Springs the same day; there from the South will find the same conveyance on the arrival of each train.
